Welcome to adnamics!

adnamics stands for high-converting traffic, personal account management, **fairness, transparency and trust – at no extra cost.** We add value to traffic through innovative ad technologies and therefore monetize it to a high standard.

adnamics – all advantages at a glance!

Start Instantly Without Effort

We co-operate with all common affiliate networks. Start your campaign quickly and uncomplicated via your favourite network.

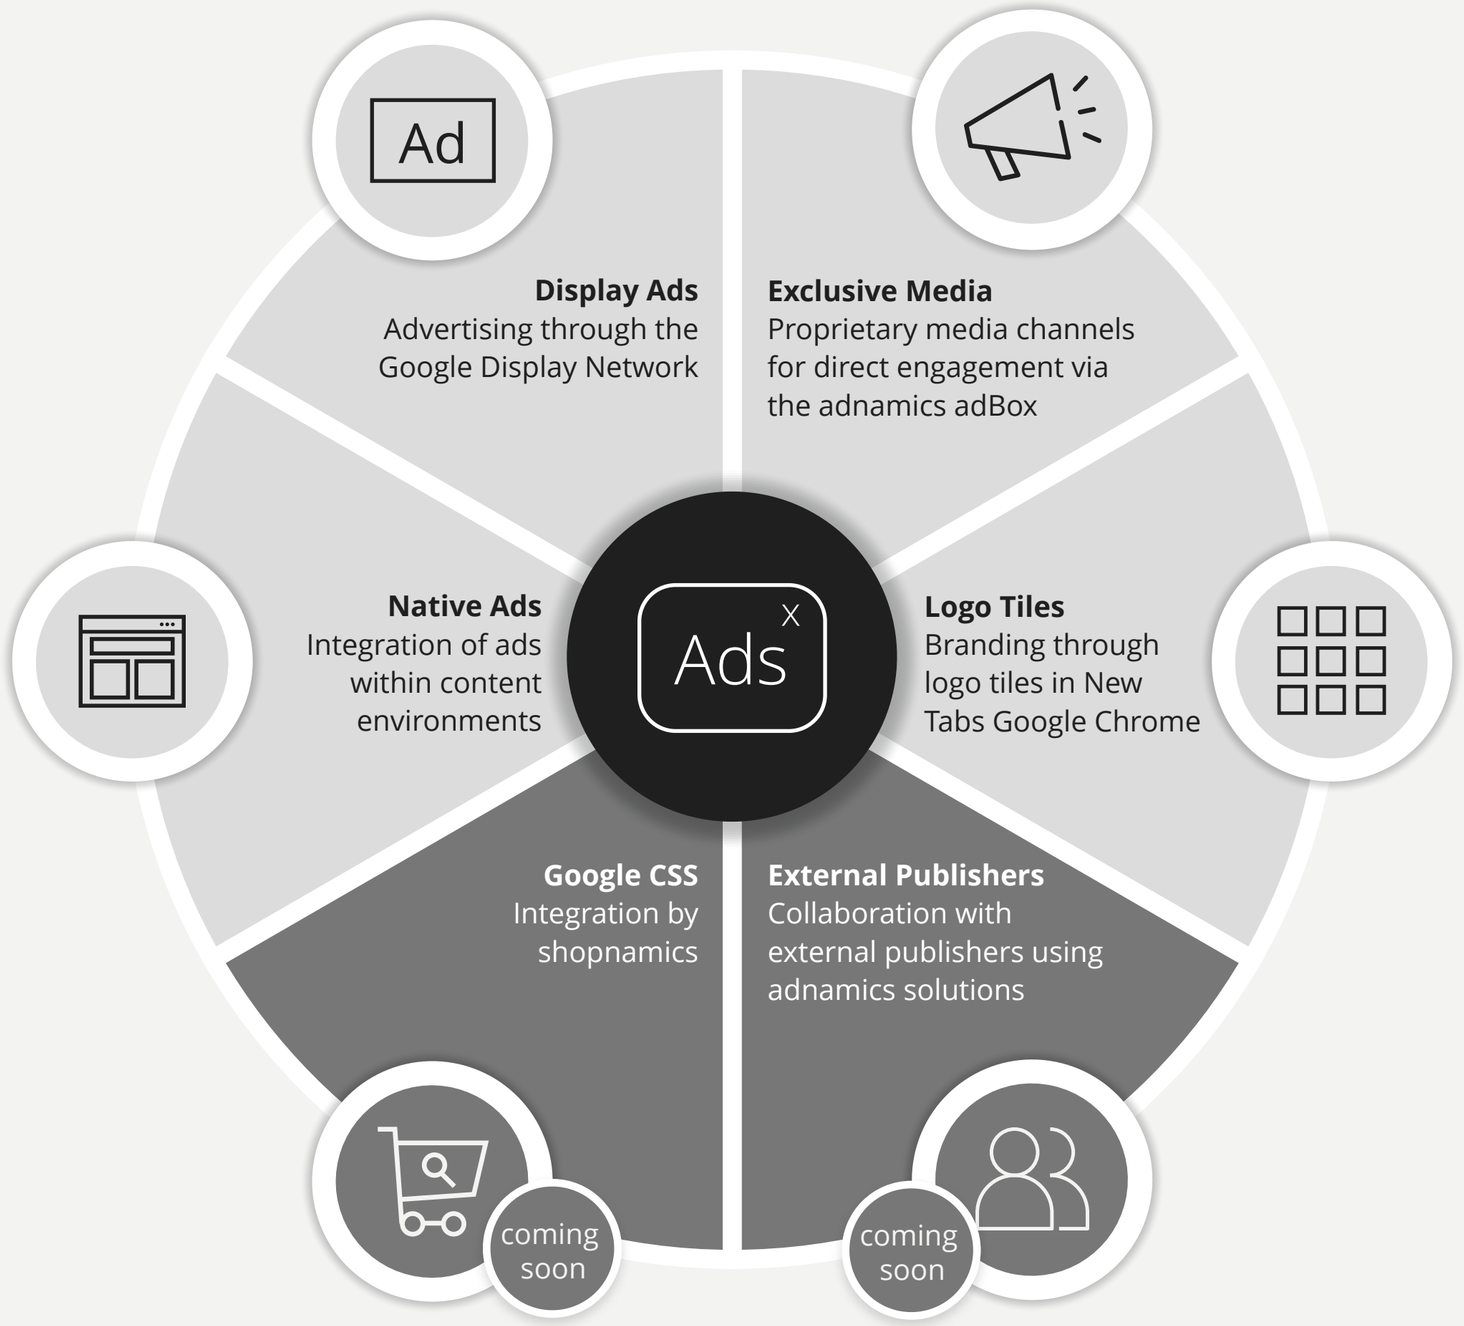

Full Control & Transparency

Get permanent transparent insight of our traffic. Our blacklist protection, fraud filter and fraud reporting guarantee transparency, trust and a fast connection.

Personalised Service

Your personal contact person and our solution-orientated account management ensures optimal support to get the most out of your campaign.

adnamics advertising strategies

adnamics Smart Publishing

We work with both internal publisher solutions and external cooperation partners.
All available and trackable referrers are transparently accessible to the advertiser.

Our Traffic

Content and Comparison Portals

Our adBox places ads contextually, matching the content of the website.

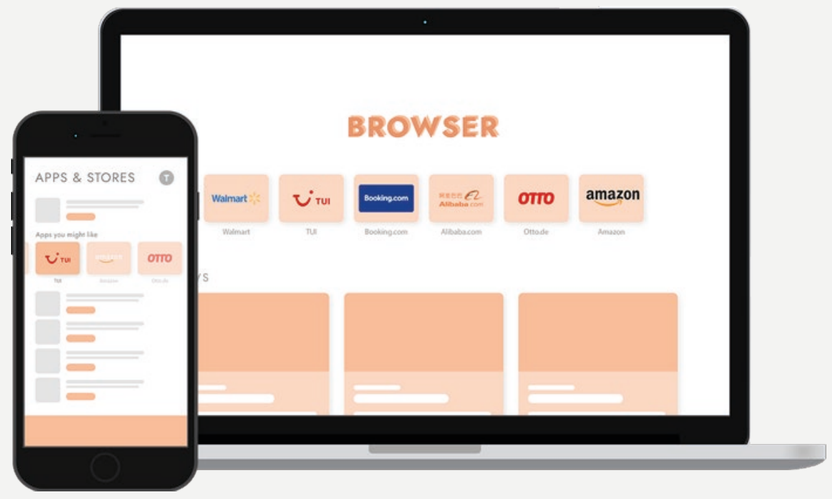

Coming soon

Our productBox enables price and product comparisons by integrating product data feeds.

Logo placement NewTab Add-on

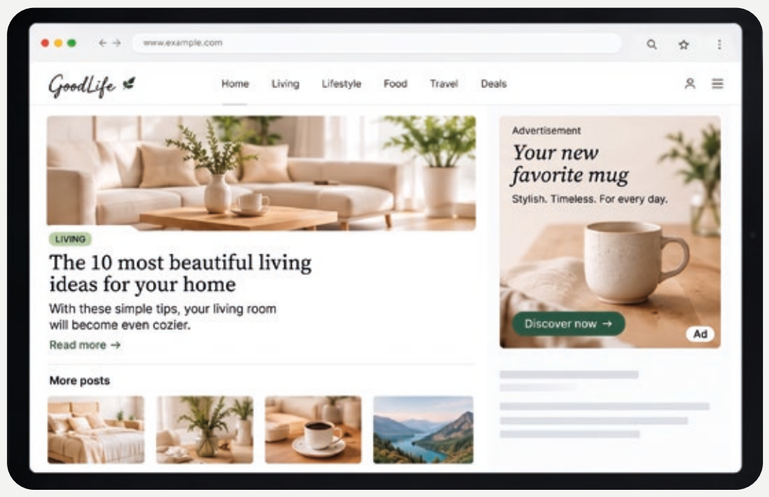

Our NewTab add-on allows users to personalise their Chrome browser. Through the NewTab function, our advertisers have the opportunity to reach millions of users.

Our Reach Offering

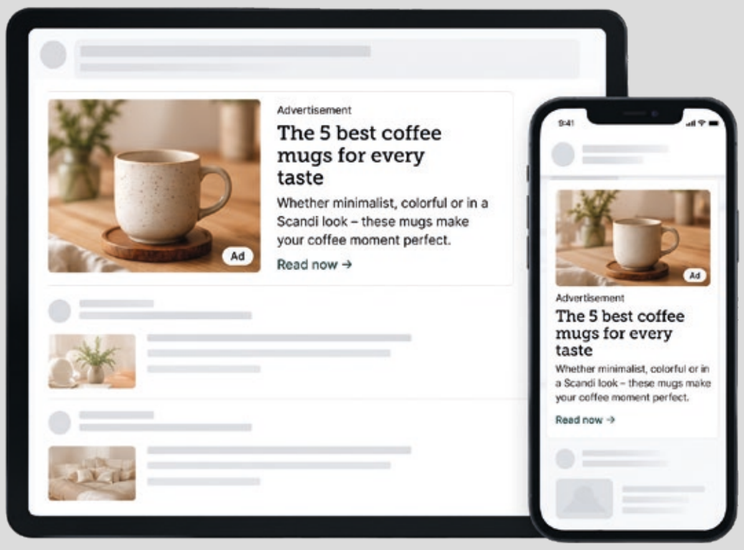

Display Ads

With display ads, we achieve millions of impressions daily – an efficient way to expand reach without risk.

Native Ads

Native ads enable seamless integration into the content of a page. Advertising that does not appear to be advertising and therefore generates high click and conversion rates.

The Benefits of Native and Display Ads with adnamics

We offer external CPC traffic on a CPA basis. This means we take on the risk, and our clients only pay for successful conversions. Channels can be included and excluded flexibly at any time - for absolute transparency and efficiency.
